About Us

The market demand for products like Drawing Hangers, Visi Coolers, Deep Freezers, Smart Class Cabinets, Water Coolers, Kent RO Filters, and Kent RO Water Purifiers has been steadily increasing in recent years. We, Garv International entered the industry in 2010 to cater to demands of customers across India. Operating as manufacturer, supplier, and trader of above range of products, we have expanded our reach across India. With the rise of e-commerce and online marketplaces, these products have become more accessible and affordable to a wider range of consumers, further driving demand. In addition, the increasing number of educational institutions, healthcare facilities, and commercial establishments has led to an increase in demand for products like Smart Class Cabinets and Visi Coolers.

Our skilled team of professionals offers excellent installation, maintenance, and repair services, guaranteeing that our clients get the finest solution for their needs. We are committed to offering the best possible experience to our clients, from the initial consultation to after-sales assistance, making us the go-to supplier for enterprises in a variety of industries.
